

Manicures & Pedicures

Mini Manicure: A tidy up treatment for the hands with a care to the cuticles and nails, petite hand massage and a coat of polish.

Luxury Manicure: This deluxe treatment achieves amazing results with a gentle exfoliation and hydrating clay mask. Aromatherapy warm towel compress and moisture infusion follows with our famous hand & forearm massage. Dry skin and irritations such as dermatitis, sun damage & the signs of aging are all addressed with this manicure. Finish this luxury treatment with a nail shape and paint.

Mini Pedicure: Perfect for the woman in a hurry. Have a professional nail shape & cuticle care followed by a polish.

Pedicure: Treat your tired feet with this invigorating pedicure treatment. Starting with a warm soothing foot soak, dry skin is then polished away with a natural scrub. An intense moisture treatment is followed with a gorgeous foot massage & finishing with a nail shape and paint.

Luxury Pedicure: Indulge the feet, sit back and relax as the feet and calves are polished to perfection with a combination of treatments to soften and renew the hardest working part of your body. Hydrating clay is massaged into the skin, soothing tired feet and nourishing the skin and cuticles with an intense moisture treatment. Finish this deluxe treatment with a nail shape and paint.

Please bring open toed shoes to pedicure treatments.

Special Occasion Nails: Popular with brides, and girls off to the formal. Need some nice lengthy looking nails in a hurry but got to play netball the next day? Well these are for you, we simply adhere an artificial nail to your existing nail bed and “hello sexy nails”. Finished with a nail shape and paint.
